

Parsons House offers a fulfilling lifestyle with all the comforts of home. Our friendly community will enrich and enhance your life of independence, with caring friends and neighbors when you need them, and privacy when you want it.

At Parsons House we encourage your life of independence with the kind of care and concern that families offer their own loved ones. We work as a team with family, friends, and physicians to provide the tailored support you require and deserve.

The sense of real community that exists at Parsons House provides for a lifestyle which many seniors feel is no longer possible.

At Parsons House we celebrate today's successes while planning for tomorrow's challenges.

WELCOME TO PARSONS HOUSE

Parsons House Preston Hollow provides seniors and their families a wonderful opportunity to meet their personal care needs in a supportive and beautiful setting. Our grounds invite walking, visiting and relaxation. The living room and dining room encourage resident participation in our daily routines.

Our staff has been chosen because of their compassionate and patient nature, a desire to serve and willingness to learn. Our family believes that personal care should be tailored to meet individual needs, honor personal preferences and respect privacy. This is achieved by working closely with each resident's care giving team, including family members and physicians; this is our family's commitment to yours.

ASSISTED LIVING SERVICES

Assisted Living allows residents to access personal care services when they need them. Services can be offered in any of our apartments. We provide five levels of assisted living services. Level of service is determined by the needs of the individual.

MAIN CAMPUS: ASSISTED LIVING

Parsons House assisted living services can be provided in any of our apartments. We provide your levels of care, which are determined by the needs of the individual.

THE GARDENS: MEMORY CARE

The Gardens is carefully designed to meet the care and safety needs of those seniors who are memory impaired or who require additional support in a smaller more simplified environment.

With only 16 units and additional staffing, residents of the Gardens benefit from encouragement, reminders, redirection and additional security. Each day is viewed as an opportunity for success.
